Walking Tour of Munich

This fascinating and entertaining walking tour of Munich includes the famous Glockenspiel and Hofbräuhaus, Munich's Nazi past, Schwabing and the English Garden, and modern Munich's place in enterprise and innovation. Also, there will be some sober stories about beer!

Come with us as we weave a narrative about how of a small settlement of monks became a world city, how the Wittelsbacher dynasty dismantled the medieval city walls in peace, just as some of the Bavarian royal family were interned in concentration camps, and the faithful restoration of the city after WWII, even if it took 50 years.

On this tour, the stones come alive, the kings become your companion, our scientists become your tutor, and our technology is in your pocket.

Day trips and overnights to walk, hike, swim, or ski in Bavaria's beautiful Alpine foothills.

Tours to places of cultural interest and scenic beauty in Bavaria, Austria, and Italy.
